Great Southern Rail Journeys of Discovery

Imagine waking up to see the sun rising over Australia's Red Centre or watching the majestic Blue Mountain slide past. Imagine Australia's fabled Outback unfolding before you, or seeing golden farmlands shimmering in the afternoon light. Whichever way you look at it, there's no other travel experience that compares with seeing this country on board Australia's two great train journeys.

More than simply a mode of transport or a holiday experience, a train journey becomes an unforgettable odyssey. As the carriages weave through the tapestry of the landscape and its rich palette of colours, other travellers – rushing to their destinations at 35,000 feet above you – miss the wonders of the Australian countryside.

In the Top End, find yourself in a land of soaring sandstone cliffs, lush forests and rich Indigenous culture. The ancient mysteries of Katherine Gorge in Nitmiluk National Park are yours to explore through one of three complimentary Off Train Excursions exclusive to guests of The Ghan.

Sit back and watch the horizons expand over South Australia's agricultural heartland. The rugged 540 million year old Flinders Ranges emerge from the distance as the train winds its way to Port Augusta, the crossroads between the Flinders and the rest of your Outback adventure.

Whether you are on The Ghan or Indian Pacific, your holiday begins the moment you step aboard. A choice of service levels offers travellers the opportunity to experience this remarkable land in a style that suits each taste and budget. And when you travel in Platinum or Gold Service, everything – including excursions – is covered by your all-inclusive fare.

Whether you are relaxing in your private cabin or taking it easy in a comfortable Red Service seat, you can take the short stroll to the bar, settle into conversation with fellow travellers, immerse yourself in a good book, or enjoy a relaxing meal with new friends. If travelling in Platinum or Gold Service, this can all be done in the knowledge that your all-inclusive fare takes care of any extra costs for food, drinks or excursions, leaving you free to relax into the journey even more.

After all, it's all about making your journey a true holiday.

Meal times are flexible and our menus showcase Australia's finest regional produce. And even better – all meals and standard drinks, including beer and wine, soft drinks and spirits, are included in your fare.

Taking a 'foodie' tour of Adelaide's Central Market, cruising the ancient waterway of Katherine Gorge, or getting dust on your boots in the deserts of the Red Centre...all these experiences and more await you on our Off Train Excursions, which are exclusive to Platinum and Gold Service guests and included in the fare.

Wining and dining on board

Whether you're up with the sun – determined not to miss a minute of your trip – or a lover of the lie-in, flexible breakfast times allow you to savour the first meal of the day at your own pace. After all, you are on holiday.

With flexible reservation options, dining aboard The Ghan and Indian Pacific is as easy as booking your lunch and dinner for the time that suits you best. Stay longer over lunch to chat with new friends, or book a table for two for an intimate dinner later in the evening.

Whether it's for breakfast, brunch, lunch or dinner, you'll find the menu brims with choices. Our menus focus on sourcing local food and wine from the regions of Australia we journey through from traditional Eggs Florentine

to Barossa Valley chorizo, Darwin barramundi or Coorong Angus beef or Coffin Bay oysters. You can pair these with fine wines from Australia's beautiful wine regions, such as the Barossa Valley, Hunter Valley and Margaret River.

All standard drinks – wine, beers, soft drinks and spirits – are included for Platinum and Gold Service travellers. Wines are chosen to complement the local specialities.

THE GHAN

The Ghan

By rail through the red heart to the tropics. You'll never see Australia like this any other way.

The Ghan has been traversing the heart of Australia for more than eighty years. Now it's your turn to explore the continent's vast and remote interior. For three days and two nights, you will discover the Red Centre and the landscapes of this extraordinary land at a relaxing pace, in comfort and style.

Whether you begin in Adelaide or Darwin, your trip will take in the sweeping Adelaide Plains and the majestic Flinders Ranges of South Australia, and the ochre heart of the Red Centre.

Each new day begins with a fresh panorama. Awake to the essence of Central Australia as it takes on a character of its own with each passing hour. At the end of each day, relax with a drink as you soak up the sight of a fiery Outback sunset.

In the Outback melting pot of Alice Springs, you'll have time to explore the town that is home to doctors who fly, camels that race and regattas hosted annually on parched riverbeds. Alice Springs Desert Park makes for an unforgettable stop where you can get up close with Australia's unique flora and fauna.

Follow in the footsteps of the Afghan pioneers who gave The Ghan its name, explore a town full of true-blue Aussie character, and visit attractions including the historic Alice Springs Telegraph Station.

In the Top End, you'll take a cruise to witness the splendour of Katherine Gorge in Nitmiluk National Park and see ancient rock art sites, or try your hand at spear throwing and Indigenous painting on a cultural tour. After all this, you'll arrive in the vibrant tropical capital of Darwin, where even more adventures await.

Travel in either direction – from the 'harbour city' of Sydney in the east or the lovely Western Australian capital, Perth – with a stop in Adelaide along the way.

Connecting three of Australia's most historic cities, the Indian Pacific provides you with a unique window to Outback Australia. It is the journey of a lifetime, from one side of Australia to the other.

Journey through Adelaide and the magnificent and once-impenetrable Blue Mountains.

With our Off Train Excursions you will have time to experience the incredible diversity of Australia. Visit the heritage and culture of the 'Silver City', Broken Hill famous for mining, acclaimed Outback artist Pro Hart and the many hotels including the Palace Hotel

(of Priscilla Queen of the Desert fame). Frequently asked questions

What is the earliest time I can check-in for my train departure?

The earliest time you may check-in for your rail service is approximately 2 hours prior to the train's scheduled departure time (times may vary, please call 13 21 47 for further details). Please note that Great Southern Rail ask all guests to check-in at least 1 hour prior to departure.

Can I fly out the same day as the train arrives?

We highly recommend that guests allow for at least 3-5 hours after the scheduled arrival time of a train, or preferably an overnight stopover (especially for international flights) before a plane flight. Unfortunately, trains can sometimes be delayed and run behind schedule.

What medical assistance is provided by train staff?

Great Southern Rail staff members are trained to administer basic first aid; however staff members are not able to provide assistance with ongoing medical conditions during a journey. Guests requiring medical attention or mobility assistance onboard any of our trains are required to arrange for their own carer to travel with them.

Can my necessary medication be refrigerated?

Yes, subject to space within our onboard fridge compartments. Please inform us of any medication requirements at the time of booking.

Can I take oxygen onboard?

Yes, please inform us of any oxygen requirements at the time of booking.

Is there any EFTPOS/Credit Card facilities onboard the train?

You are able to purchase meals, snacks and beverages using a credit card onboard; however, there are no EFTPOS or cash out facilities available onboard our trains.

What is the standard of dress whilst onboard the train?

Smart casual attire is suggested for guests travelling in Platinum and Gold Service. Neat casual attire is required in Red Service. Warm clothes are recommended for evenings onboard the train, as the air-conditioning can be cool. It is recommended that guests pack a hat, sunscreen and comfortable walking shoes for off-train touring. Sensible shoes are advisable for walking between carriages.

Can I take any pets or animals onboard?

No, the only animals permitted on Great Southern Rail train services are specially trained dogs for the vision and hearing impaired.

As an overseas visitor to Australia, do I qualify for the pension concession fare if I am a pensioner or senior citizen back home?

As part of our agreement with the Australian Government, we must secure an eligible Australian Pension Concession Card number at the time of booking. This agreement with the Australian Federal Government does not extend to pensioners from overseas countries. It is strictly limited to Australian pensioners who are residents of Australia.

Can I take my walking frame/wheelchair/scooter onboard the train?

No, these items must be checked in as stored luggage. A specially modified wheelchair can be requested for use onboard the train (with the assistance of a carer or travelling companion). Please inform us at the time of booking if you require a wheelchair.

What are the parking arrangements at the railway station?

Parking facilities at all Great Southern Rail stations and terminals are provided on a short-term basis only. It is not possible to park your vehicle in the car parks of our stations and terminals for extended periods due to safety concerns.
