

# Cuba

## The land of rum, cigars & salsa

Cuba, the 'Pearl of the Antilles', is the largest island in the Caribbean and a land of friendly people, colonial towns, unspoilt beaches and picturesque countryside. For nearly four centuries, Cuba was the main gateway to Spain's vast American empire, and cities such as Havana, Santiago, Camaguey, Baracoa, and Trinidad are sentinels of a bygone era. The richness of Cuba's culture is reflected in its many museums, mostly located in the capital, Havana. The capital itself, home of the salsa, mambo and cha-cha, is the artistic centre of Cuba. Meet the vivacious and passionate people and feel the rhythm of Cuban music. Cuba offers an adventure like no other.
