Welcome to the World of Travelling Divas!

Travelling Divas is a travel boutique dedicated exclusively to the creation of beautiful, small group tours for women. Our passion is to design gorgeous holiday experiences to fabulous destinations and then share them with you.

Every itinerary is custom made, with a blend of insider access, exclusive private experiences, culture and history, a little glamour and retail therapy, along with plenty of surprises. Our guides are very experienced and dedicated to making sure you have the best time possible!

Explore incredible destinations from the Galapagos to the Gold Coast - there is something to suit everyone, whether you are looking for total luxury or a little adventure, a short break or a long escape!

Be inspired by the wonderful fellow travellers you will meet on these journeys, and make friends for life. They are incredible women and many have amazing stories to share. So what are you waiting for? Come and explore the many wonderful worlds and meet the incredible people that make up each and every fabulous place we go ...

Why Travel Like a Diva?

Travelling Divas is dedicated to designing exclusive travel experiences for women. We have three types of tours to suit different travel needs: Girls' Getaways, Diva Destinations and our high-end luxury Journeys-of-a-Lifetime.

The Diva Tour Collection

Girls Getaways

These are great for the time-poor Diva looking to escape the everyday. With destinations such as the Gold Coast, Hepburn Springs and Daylesford, these beautiful getaways provide you with space to breathe; take much needed time out as well as an opportunity to get a taste of what Travelling Divas is all about!

Diva Destinations

Diva Destinations are our longer tours to beautiful places around the world. A combination of insider access, cultural experiences, touristy 'must-sees' and a shot of Diva glamour, they are fab escapes that give you a good exploration of our destinations. Importantly, we always allow for 'you-time' to reconnect with yourself as well as the fabulous women you are travelling with!

Journeys-of-a-Lifetime

These are Travelling Divas' premium tours featuring luxury hotels and exclusive experiences that will stay with you for a lifetime. You will explore fabulous destinations such as the Galapagos Islands, one of the last pristine environments on earth, in combination with the awe-inspiring Peru!

We chase the Northern Lights in Finnish Lapland (plus a private meeting with Santa!) plus so much more on our Winter Wonderland on this amazing and incredibly popular tour.

The Diva Difference

Why travel with us?

- > We offer bespoke itineraries created by women for women. Not a cookie cutter tour to be seen
- > We provide security for solo travellers who want to get away and are happy in a small group but also want to maintain their independence
- > We offer a 'willing to share' option for solo travellers taking advantage of the twin share rate*
**Share option is subject to availability*
- > We regularly go off the tourist track for authentic experiences (although 'authentic' is not always luxury - the luxury of this is the authenticity)
- > We never have more than 12 Divas on a tour to ensure maximum care and to foster a more intimate environment.
