If you miss your departure flight or connection, it is your responsibility to work with the airline on which you are ticketed to reach your destination. No refunds will be provided by The Company for portions of trips missed due to cancelled, rescheduled, varied or delayed flights, nor is The Company responsible for any additional expenses you may incur prior to joining your trip if you miss your departure flight or flight connection.

- Please note that markets generally operate from late November until the third week of December. This is dependent on location and may vary from year to year.

DATA PROTECTION

- Some government agencies in foreign countries require The Company to collect and pass on in advance of travel certain personal and other details related to you, including but not limited to government-issued identification and passport details. If you fail to supply the details, as requested, fully and accurately, your trip may be interrupted or cancelled. There are no refunds for failure to provide documentation or failure to provide documentation by the time required.

- We will use your personal data secured during your booking or during online check-in to process your booking with our suppliers. These details include your full name, address, date of birth, passport number and expiration date, occupation, credit/debit card information and any disability, medical conditions or dietary restrictions disclosed to The Company for you and all your travelling party.

- It may be necessary to transfer these details to other countries or authorities in which the data protection and privacy laws are less stringent than ours. This may include requirements to pass details to our suppliers as well as certain governments or government appointed bodies, or agencies in the interest of security or because we are obliged to by law. By making a booking with The Company, you agree to The Company storing, using and passing on this data to other third parties for reasons as stated above and hold The Company not liable for the usage and protection of that data.

ITINERARY VARIATIONS

- The accommodation listed in our websites/ brochures is intended to be used on all departures. However, if a change becomes necessary for any reason, substitute accommodation will be equivalent in standard to that shown. No refunds are provided for accommodation variations and full cancellation penalties as noted above apply.

- Every effort is made to reserve only twin-bedded rooms. Occasionally, some hotels will provide double-bedded rooms. These rooms will be allocated to couples where possible. Room and bed preferences may be requested, but are not guaranteed. Please note that check-in times vary worldwide and The Company cannot control or guarantee check-in times. Triple-room configuration is at the discretion of individual hotels. Payment for a single supplement ensures your own room, not necessarily a twin-bedded room. On cruises, staterooms are subject to change and are finalised upon embarkation.

- In exceptional cases where private bath or single rooms as reserved by us are not available, refunds will be made by the Cruise Director, Tour Director, or Local Host. Claims for such refunds will not be accepted after the holiday has been completed.

BAGGAGE ALLOWANCE

- Portage for one suitcase per person travelling is included in the holiday price, except where portage is unavailable. Airport and train station portage is not included. Your single bag should not exceed the dimensions of 76x53x28cm (30"x21"x11") and weight of 22kg (50lbs). We are unable to accept a second suitcase or any luggage exceeding these limits except on Avalon Europe holiday itineraries. Some holidays have more restrictive regulations than these listed above. Please refer to your Travel Documents for applicable regulations.

- Size and weight limitations for carry-on and checked baggage vary from airline to airline and even according to destination, and are becoming more restrictive. Most airlines charge fees for checked baggage and these fees are not included in the airfare or the holiday package price. Please check with your airline(s) directly for baggage information, regulations and fees. The Company is not responsible for additional fees imposed by air carriers for baggage. Regulations within most airports require that travellers handle their own luggage through customs.

- Carry-on baggage is limited to one bag per person travelling and must not exceed the dimensions of 30x28x14cm (12"x11"x6"). For safety reasons, wheeled carry-on bags are not suitable and will not be permitted as hand luggage on motorcoaches and mini-buses. Carry-on bags must be small enough to store in overhead bins or under the seat in front of you on motorcoaches and other transportation.

- The Company will not accept responsibility for loss of or damage to baggage or any of the traveller's belongings throughout the duration of the holiday. Travellers are strongly encouraged to not bring valuables such as jewellery and large amounts of cash. Any such valuables should not be left in baggage out of the control of the traveller. The Company recommends that you ensure loss of or damage to baggage is included in your comprehensive travel insurance.

- In exceptional cases where private bath or single rooms as reserved by us are not available, refunds will be made by the Cruise Director, Tour Director, or Local Host. Claims for such refunds will not be accepted after the holiday has been completed.

FORCE MAJEURE

- The Company assumes no liability for any loss, damage, or entry of any nature in whole or in part resulting from an Act of God or any other force majeure condition including without limitation: fire, volcanic eruption, environmental pollution or contamination, inclement weather, earthquake, low or high water levels, flood, water or power shortages or failures, tropical storms or hurricanes, riots or civil commotions or disturbances, and any other acts of a similar nature, sabotage, arrests, strikes or labour disruptions, restraint of rulers or peoples, expropriations, acts of terrorism, war, insurrection, quarantine restrictions, government health advisories, or warnings or alerts of any kind of nature, government seizures, refusal or cancellation or suspension or delay of any government authority or any license, permit or authorization, damages to its facilities or the travel supplier and its facilities, or any other unforeseen circumstances or any other factors unforeseen by The Company that impacts negatively on, or hampers, its ability to fulfil any of its contractual conditions. In the event that any of these conditions apply, The Company shall be excused, discharged, and released from performance to the extent such performance is so limited or prevented, without liability of any kind.

- OPTIONAL EXCURSIONS
 - For operational reasons, not all optional excursions listed in the tour/cruise itinerary, in print, online, or in travel documents may be available during your holiday. Your Tour Director will advise of availability while on tour.
 - Optional shore excursions may be purchased 90 days in advance of travel via MyAccount. Booking conditions apply (refer to the Pre-paid Optionals' Terms & Conditions on MyAccount).

- EXCLUSION OF LIABILITY FOR OPTIONAL EXCURSIONS & ACTIVITIES**
 - Carriers, accommodation, and other suppliers ("the Suppliers") (including but not limited to trains, cruises, ferries, motor coaches, hotels, and restaurants) providing optional activities and excursions ("the Services") available for booking are not run, supervised, or controlled in any way by The Company. These Services are provided by local operators or other third parties that are entirely independent of The Company, which has no control and has no right of control over the operations of these independent contractors. Such Services do not form any part of the product or services sold by The Company, even where The Company suggests particular operators/other third parties and/or assists in booking such Services.

- Your contract for the Services will be with the Supplier and will be subject to its Terms and Conditions, which may contain exclusions or limitations of liability. The Company has no liability for any such activity or excursion or for any act(s) or omission(s) of the Supplier or for any of its employees or agents or any other person(s) connected with the Service. Any advice or assistance on or with the Service provided by any local representative does not mean or imply that the Service is sold, supervised, or controlled by The Company or that any such advice or assistance is given on behalf of The Company. Travellers are asked to check with the Supplier and the applicable Terms and Conditions before booking.

- EXCLUSION OF LIABILITY FOR TOUR ITINERARY CHANGES AND CANCELLATIONS**
 - In the event of water problems on stretches of any waterway, technical problems of any nature, severe weather, flooding, fire, drought, earthquake, explosion, peril of navigation, industrial action, civil unrest, war, government order or act, operational requirements or any circumstances beyond the reasonable control, it may be necessary to modify or cancel an itinerary. The Company reserves the right to change the itinerary whenever conditions, in the opinion of the Master of the Ship or local waterways regulations, render it advisable or necessary. These events are beyond our control and The Company will not be responsible for any loss, expense, or inconvenience caused by reasons of such changes.

- The Company reserves the right to cancel, advance or postpone any scheduled tour date in accordance with operational requirements or circumstances beyond its control and may, but is not obliged to, substitute another vessel and shall not be liable for any loss whatsoever to holiday participants by reason of any such cancellation, advancement or postponement. In the event of cancellation by The Company, tour/cruise participants' only right of recourse shall be to a refund of monies paid to The Company in connection with such tour/cruise. In the event of charters of the vessels, strikes, lockouts, riots, or stoppage of labor for whatever cause or for any other reason whatsoever, The Company may at any time cancel, advance, or postpone any scheduled sailing and may, but is not obliged to, substitute another vessel and shall not be liable for any loss whatsoever to tour/cruise participants by reason of any such cancellation, advancement, or postponement.

- RESPONSIBILITY AND EXCLUSION OF LIABILITY:**
 - Subject to clauses 89-92 above, the Company is responsible for providing the services described in this brochure, including arranging transportation, sightseeing, and accommodation as described. All references to The Company include its agents and employees.
